Working with graduate students if they want to apply to work with Cpak or SEAHO to prest. At conferences. Giving them professional development.

Small School rep: I took from our SEAHO website and saw who the small schools were and to contacts and did a small school round table. She was able to meet other small schools and ask how to be a rep for them and what they need from her. Once she gets the list up and going give them the information.

Treasurer: Us Bank account 2,250

State Representative: Give information from the mid year meeting which will be the site of SEAHO 2011. Working out a new layout for the SEAHO website. One of the changl. That they have talked about is that no one gets to see anyones state report. The website will be neat and be more functional. Looked at changes to the SEAHO Chart. Apart of that would be that things would be changed in the leadership manual, 2 year appointment. Member at large that works with each group. Looking at the conference hosting and had to make the changes to how it is put it out. They have someone that will find sites and find prices, work all that out. Keep SEAHO regional in prices for people to be able to attend to conferences. They have all of these people that fall understand them and everyone that works under them. This will be chosen from an application from the executive board. The only people who vote are the people who are voted in. The host person will be in for 2 years. I don't want anyone to change my

roll. 2013 that we would go to this event management company. They will go to 5 years out and look for places that people can get to for travel. The host chairman will work to select the chairs for each area. Local people as well.

Steve: there wont be pressure for KY to host a conference the states will still play a role but wont have to host it as a whole.

Online for the SEAHO report because this last was over 10,000 dollars for the report to be printed. We will work with this group for a year to see how it work. We will still keep our state editor but would work with the state rep. to get the state report out. 2011 we will be in m.bay reg will up November 1st. You have to enroll and get a password. Another part of the website you can get involved in committees. My involvement came from working with the vendors. SEAHO is 16-18 February.

2012 we will be in TN 15-17 SEAHO. You can get rides from other people in the state. Please go to the business meeting. We will talk about issues there.

President-Elect Assessment projects about how KAHO can better serve you please see Wayne and he would love to bounce some ideas off of you. Extend the Deadline for the SEAHO Scholarship for 2-\$250. Please see the award that was sent out in the email. Extend the Deadline until November 30, 2010.

President: The officers have been talking about the KRAC/KARH conference

Colonel: Advising the board and working on the white suit.

Old Business: KRAC/KARH 2010-2011: WKU have been working hard at the conference to combine the conference. Will send out a safe the date: Kracle Wild Wild West Feb 4-6 at WKU Baymount Inn. Free BK and Internet. Hearts for Hati project, the money will go red cross. Make valentines for the Children hospital.

Motion to approve KRAC/KARH 2010-2011 Chris first Teresa Second all in favor

New Buisness: Host Schools 2011 KAHO Bellarmine would like to invite you to their campus for KAHO 2011 and welcome you back. Second week in October. Will keep in mind that conference planners need to be sent in.

Host 2012 UK would like to invite Lexington.

David Wilson: The last 3 years SEAHO Social done with Georgia would like to have \$500 dollars for social. Is there a motion

Teresa 1st motions Arron Seconds the motions.

Ann James with the conference 66 delegates 13 schools, 5 vendors, 13 programs.

Bellarmine: New residence Halls, Two fulltimes RLC's have extra assignments in student activities as well. Works hand in hand in keeping the student. Added on to the dinning hall now looks like a

university dinning hall. Turned 60 this year. President turned 20 this year. Did a video this year of what he said when he first got to the university. She is excited to be apart of what the school has to come.

Berea: 99% for Housing 1 vote away from building a new residence hall. Hire 3 new housing folks. New Dinning Hall New intermual programs.

Eastern: Map Works because of that they were able to hire 3 more fulltime people

Murray: Not doing anything: Second year in a row of being 90% and not being 100% dealing with budget issues. I will be hiring 2 assistant directors in the spring. Opened our second new residence hall. Have our college heads. It is a way to engaged.

Northern: Mold, Bed Bugs, Hiring 2 graduate students in the spring. Hall director openings as well.

Southern Baptist: Graduate students as the higher number. 65% full, 25% of maintance that needs to be worked on.

Uk: lot of hiring going had a new VP of student affaris, Judicial position is being redone, Has a RD position for all guys in the spring. 2012 funding for a new residence hall.

U of L: One more Full time staff in the hall, will give them different assignments. New building opening 2012 (358 beds). New dinning hall.

WKU: won our first football away game. Homecoming is tomorrow. Will open a building, working on a new music building. Working on outdoor group. Largest in coming 1st year group come to campus that moved in a week early. They worked with service as well. Cleared the ground for new apartments for campus. Working with the CAT program to keep those students on campus.
