 - ii. New Learning Community came online: The Brown Leadership Community
 - iii. Record number of residents maxed out capacity; looked into tripling residence hall rooms
 - iv. Record number of freshmen in-coming class; largest freshmen class in Bellarmine history
 - b. Berea College
 - i. We have hired two new members for our Collegium Team. They are Emily LaDouceur (emily_ladouceur@berea.edu) and Jamie Poff (jamie_poff@berea.edu)
 - ii. The Vice President of Labor and Student Life, Gail Wolford, announced her retirement from Berea College, which will take effect on December 31st.
 - iii. We opened the year just over capacity and have since dropped to about 99% occupancy.
 - iv. We have completed our new residence hall. The hall is appropriately named Deep Green and is LEED Platinum which makes it the Greenest Residence Hall on the planet!
 - v. We have started a renovation rotation to our remaining halls!
 - c. Centre College
 - i. Didn't have any new hires or building this year. We did do kitchen renovation in two residence halls over the summer.
 - ii. Centre did purchase a property, which was Danville's first hospital that was within a block of campus. The property was previously divided into eight apartments, all include a bedroom, living room, bath, and fully equipped kitchen and washer/dryer. The old house, "The Hospital," included a parking area and the students love it!
 - d. Eastern Kentucky University
 - i. ECU has welcomed a new President, Michael Benson, this fall.
 - ii. Housing has opened the campus' first new residence hall in about 40 years. It is a suite style setup and students have really been enjoying it. The hall was open for touring during KAHQ.
 - iii. We have 10 new Residence Hall Coordinators this year, which has brought about great energy and excitement to our department. Additionally, a dedicated Retention Specialist has joined the Housing team.
 - iv. A new American Sign Language Living Learning Community was launched this fall.
 - v. Our MAP-Works response rate for the Fall Transition survey was approximately 93% and we have been able to secure new campus partners to be a part of our MAP-Works referral system.
 - e. Lindsey Wilson College

Academic Success, Career Preparedness, Community and Diversity, Compassion for Self & Others, Health & Wellness and Independent Living Skills. We are continuing our partnership with Simmons Bible College, providing housing to participants of their Simmons Scholars program. We are also open to housing qualifying JCTC students on an individual basis. In the AY'14-15 year, we will institute a live-on requirement for first year students with exceptions.

k. Sullivan University

- i. Sullivan University has had a lot of changes over the spring and summer! We welcomed a new Dean of Students, Gabe Ghammachi, who joined us from the Academic side of the University in early February. We have already made several changes to the departments under Student Services including updates to our Public Safety Department and revamping our Housing and Residence Life Department. Housing restructured to welcome Trinesha Taylor-Wellmann as our new Housing Staff and Business Manager and Jorge Wellmann as our new Residence Life Coordinator in early June. We have since started to place the building blocks for our first ever RHA in the hall and have already worked to update our training, policies, and manuals throughout the last year as well. Most recently, we implemented a new student ID process that brought about the OneCard system provided by Heartland Campus Solutions. This project not only changed how our students access their meals on campus, but it also provided our Food Service with an opportunity to completely change our POS systems in our A la Carte Café, Bakery and Gardiner Point's C-Store. This fall, we welcomed our largest enrollment of students in several years as well. It's an exciting time and we look forward to serving our students and continuing to open doors for them academically and professionally. This coming spring, we plan to graduate the first of our doctoral students! It will be a pivotal moment for our University and we are excited that we continue to raise the bar for education at Sullivan!

l. Thomas More College

- i. Series of changes in our Chief Housing – Baiann AlDulijan is our new Residence Life Coordinator/Chief Housing Officer
- ii. Opened at capacity
- iii. Have a hired a new hall director/Coordinator of Intramurals, Wyatt Foust

 - 3. Assistant Director: Residence Education – Ben Shepard
 - 4. Student Life Coordinator – Nyambi Shannon
 - ii. MSU Housing is currently in the process of renovating Mignon Hall, a 296 bed facility.
- g. Murray State University
 - i. We open the halls over capacity this past August. We used guest rooms, handicap accessible rooms and apartments to get students on campus. In most rooms we put four people to a space. We were specifically directed to get all freshman on campus that we could. We also had a plan to contact upperclassmen who had a space for the fall, but were not required to live on campus and tried to identify those who would move off campus. We then contacted seniors and juniors who were required to live on campus and offered them an exemption to live off. Our final push was to assign all RA's a roommate. This was a major undertaking by the Housing Office central staff, especially at a time when it is very busy already. In other news we have on our second high rise renovation in the last three years and look forward to opening a newly renovated Hester Hall Fall 2014. And finally, we will be hosting KARH next February 2014, so come on down and see that there is life past Elizabethtown
- h. Northern Kentucky University
 - i. We have finalized the purchase of a building across from a current residence hall. It will be called Northern Terrace and will house just under 200 students in large quads
 - ii. We are the design stages of a remodel of our dining hall on campus. The dining facility will be closed at Spring Break and reopen in August 2014 in time for opening. The renovation will include more seating, concepts and larger storage.
 - iii. Since the last KAHO 2012 NKU hired Dr. Peter Gitau from Southern Illinois University-Carbondale as our Vice President of Student Affairs. He has been with us since April 2013.
 - iv. The University has been engaged in the development of a strategic plan, which includes the examination of on campus housing and living learning communities.
- i. St. Catharine's
 - i. We are developing an area to house offices for our Student Intramurals and Patriots Activities Council.
 - ii. Recently opened a new library on campus that offers extended dining options for students called Snappy's Café.
 - iii. We completed our semester room changes within the residence halls.
 - iv. Our campus is in the process of painting renovations within the residence halls.
 - v. We are starting edits to our Residence Life Handbook including some policy revision.
 - vi. Staffing Patterns are being assessed to better meet student needs.
- j. Spalding University
 - i. Spalding University is working on instituting a restorative practices model campus-wide that will be used in residence life to address student needs. We have revamped our programming model to incorporate six community values:
